

## LIGHTING DESIGNER

**JOB TITLE** | Lighting Designer

**LOCATION** | Phoenix, Mauritius

**JOB TYPE** | Full Time

**OVERVIEW** | We are seeking a skilled Lighting Designer to join our dynamic team. This role involves creating both internal and external lighting designs for various building projects. The ideal candidate will possess strong technical skills in lighting simulations and calculations, with a robust knowledge of Dialux software.

**KEY RESPONSIBILITIES**

- Design lighting systems for both interior and exterior environments of buildings.
- Conduct detailed lighting simulations and calculations to ensure compliance with relevant standards and project requirements.
- Collaborate with architects, engineers, and interior designers to integrate lighting designs into overall building plans.
- Prepare detailed drawings and specifications for lighting systems.
- Select appropriate lighting fixtures and controls based on project needs.
- Manage multiple projects simultaneously while adhering to timelines and budgets.
- Stay updated with the latest trends in lighting technology and sustainable design practices.

## **REQUIRED QUALIFICATIONS**

- Diploma or degree in Engineering, Architecture, Interior Design, or a related scientific discipline.
- At least two years of experience in lighting design.
- Proficiency in Dialux lighting design software.
- Strong understanding of photometric data and its application in lighting design.
- Excellent communication and collaboration skills.
- Ability to work independently and as part of a team.

## **DESIRABLE SKILLS**

- Experience with other lighting simulation software such as Elumtools and Revit.
- Familiarity with LEED or other green building certification processes.
- Creative thinking with attention to detail.

## **WE OFFER**

- A competitive salary and benefits package.
- Opportunities for professional development and career advancement.
- A creative and supportive work environment.
- The chance to work on diverse projects that make a real impact.

If you are passionate about lighting design and looking for an opportunity to grow with a forward-thinking team, we would love to hear from you.

## **How to Apply:**

Please send your resume and a cover letter detailing your experience and why you are a good fit for this position to [admin@prodesign.mu](mailto:admin@prodesign.mu). We look forward to reviewing your application
